

Advanced Dermatology, Laser, and Plastic Surgery Institute

All procedures performed by a Licensed Clinical Aesthetician

Elite MD Facial Menu

Elite MD facials are customized to fit your unique skin type and skin care goals. Our Clinical Aestheticians have advanced training in skin care and consult with our Dermatologist and Plastic Surgeon to provide you with an optimal skin care regimen. Our medical team-approach to skin care will provide a comprehensive regimen designed to enhance your results.

Elite MD Signature Facial \$115.00

Targets: aging, discoloration, rosacea, and skin maintenance

Our signature facial uses medical grade skin care products to target a variety of skin conditions including fine lines, hyperpigmentation, acne, rosacea, and skin maintenance. 60 minutes

Elite MD Teen Facial \$99.00

Targets: white heads, black heads, and oil control
A deep pore cleansing and exfoliation treatment including extractions to remove any impurities and refine skin's texture. 45 minutes

Elite MD Back/Chest/Arm Exfoliation \$60.00

Targets: acne, keritosis pilaris, and oily skin

This exfoliation treatment is great for body impurities or to smooth and soften skin. 30 minutes

Elite MD Gentleman's Facial \$99.00

Targets: razor bumps, minimizes ingrown hairs and reduces black heads

An exfoliating treatment that refines texture and smoothes skin's appearance. Also includes education on male skin care products. 45 minutes

HydraFacial \$149.00

Targets: melasma, brown spots, wrinkles, oily skin, and acne

A new take on microdermabrasion that infuses vitamins and powerful antioxidants into the skin allowing deeper penetration to achieve optimal results. Customized formulas are used for deep cleansing, exfoliating, extracting, hydrating, and antioxidant treatments. This facial will enhance the results of any laser or cosmetic procedure. 45 minutes

Upgrade to neck or chest: additional \$50

Elite MD Ultimate Anti-Aging Facial \$225.00

Targets: fine lines and wrinkles and skin elasticity
HydraFacial includes face and neck with the use of LED red light therapy. HydraFacial delivers a powerful level of antioxidants to rehydrate mature skin. LED red light therapy counteracts the aging process by firming the skin while increasing elasticity. Wrinkle lines are reduced or eliminated, and the overall tone and texture of the skin is improved, leaving skin with a younger and healthier look and feel. 75 minutes

Elite MD Express Signature Facial \$60.00

Targets: skin maintenance and dehydrated skin
An introduction to skin care or perfect for the person on the go: cleanse, exfoliate, mask, hydrate, and enjoy! 30 minutes

Elite MD Acne Facial \$99.00

Deep cleansing facial that concentrates on extractions and removing skin's impurities to help reduce oil and clogged pores. 45 minutes

Upgrade to Acne Facial with Blue Light Treatment! \$50

Blue light works by killing the acne-causing bacteria, and is being used to treat inflammatory acne that has not responded to other acne therapies.

Elite MD Chemical Peel Menu

Elite MD Pumpkin Peel \$99.00

Targets: dull, dry, and sensitive skin

This peel is a 30% multi fruit complex with high contents of Lactic Acid, Zinc, Vitamin A, and Vitamin C, which is a powerful blend of antioxidants to protect your skin from environmental free radicals. 30 minutes

Elite MD Glytone Peel \$99-\$129.00

Targets: great for most skin types

A customized step-up approach using increasing levels of medical grade glycolic acid, derived from fruit and sugar cane. Glycolic peels exfoliate and improve skin's texture and clarity while softening the appearance of fine lines. 30 minutes

Salicylic Peel 20% - \$99.00

Targets: acne prone skin and oily skin

Salicylic acid opens clogged pores and neutralizes bacteria within, reducing oil production and acne. 30 minutes

Elite MD VI Peel \$499.00

Targets: wrinkles, hyperpigmentation, oily or acne prone skin...great for most skin types!

Elite MD's most popular peel! A painless restorative peel that renews damaged skin with little down time and visible results within days. The peel targets: skin texture, fine lines and wrinkles, acne, hyperpigmentation, and age spots. 30 minutes

Elite MD Body Sculpting Menu

Elite MD VelaShape – Cellulite Treatment Targets: cellulite and tightens skin

VelaShape is the first FDA-cleared non-invasive treatment for losing inches and reducing cellulite. VelaShape is a proven device with breakthrough results, as it treats both the deeper tissue and the upper layers of the skin. This results in a measurable reduction in fat layers, circumference, and the appearance of cellulite. VelaShape offers a non-surgical, no downtime, and virtually painless treatment for Body Reshaping and Cellulite Treatment, with proven results in as few as four treatment sessions (6 treatments recommended for optimal results.)

Elite MD ZERONA – Lose Inches

ZERONA is a new non-invasive body sculpting procedure designed to remove fat and contour the body without surgery. ZERONA, unlike other procedures, allows the patient to continue their daily activities without interruptions from surgery, pain, wounds, or garments.
